The screenshot shows the Zoho Creator application builder interface. The main workspace is titled "Seat Reservation" and features a wireframe of a mobile application screen. A large blue button labeled "Create new form" is centered below the wireframe. To the right of the workspace, there are four preview cards showing the application's design on different devices: laptop, tablet, and two smartphone orientations. The top navigation bar includes tabs for "Design", "Workflow", and "Settings", along with upgrade and access options. The bottom navigation bar contains links for Chats, Channels, and Contacts, along with a "Smart Chat" feature. System status icons at the bottom include weather (27°C, Mostly sunny), search, file, chat, cloud storage, folders, Microsoft Office, tasks, notifications (4), language (ENG IN), time (11:38), date (09-01-2023), and a battery/refresh icon.
